

Andrea Dahlén

SENIOR PRODUCT DESIGNER

andreadahlen@gmail.com · +45 71 52 82 83 · Copenhagen, Denmark · andreadahlen.com · linkedin.com/in/andrea-dahlen

A Swedish-speaking Finn (*think Moomin*) raised between Finland, California and Denmark, a decade in the UK, roots now firmly back in Copenhagen. Senior product designer with ten years across product design, UX and research in regulated, high-complexity environments. Agency-trained and research-led: I settle flows and requirements before anyone argues about pixels, and use research to create focus rather than to file findings.

EXPERIENCE

Senior Product Designer – Freelance

Jan 2025 – Present

Clients: Tabatwo, Boxmove · Copenhagen, Denmark (remote)

- Designed end-to-end product experiences from discovery and journey mapping through prototyping and testing.
- Redesigned Tabatwo's payment flow, balancing usability, customer trust and security requirements ahead of launch.
- Ran moderated testing across eight product areas, mapping journeys across user types and turning findings into a ranked backlog for the founding team.
- Supported Tabatwo to Apple App Store approval within a three-month engagement.

Product Lead – Shelter Scotland

Jul 2019 – Oct 2024

Promoted from UX Designer to Senior UX Designer to Product Lead · Edinburgh, UK

- Led an eight-person multidisciplinary team of UX designers, content designers, developers and researchers from discovery through delivery.
- Owned and evolved the design system and pattern library through the charity's rebrand, improving consistency, accessibility and usability.
- Led the digital roadmap, prioritising user and organisational needs across housing advice, fundraising and campaigns.
- Championed WCAG 2.1 AA accessibility across the Scottish digital estate, embedding inclusive design into delivery.
- Gave design critique on UX, interaction design and user-testing plans.

Senior User Researcher – NHS National Services Scotland

Aug 2021 – Sep 2022

Secondment from Shelter Scotland · Edinburgh, UK

- Led inclusive research and prototyping in the Service Design Hub to improve access to cervical screening for minority groups.
- Ran 40+ interviews and prototyped a solution addressing screening inequalities in West Lothian.
- Navigated a large, complex organisation to reach stakeholders and healthcare professionals.

UX Designer – Dentsu Creative (Whitespace)

Dec 2017 – Jun 2019

Edinburgh, UK

- Delivered digital experiences for Business Gateway, VisitScotland, Scotland.org, Business Stream, Sustrans and Food Standards Scotland.
- Created wireframes and prototypes, ran UX research, and facilitated workshops and stakeholder discussions.
- Delivered Business Gateway's redevelopment and personalisation tool to a WAI 'A' accessibility rating.

Design & Digital Coordinator – Carbon Trust

Jun 2015 – Dec 2017

London, UK

- First in-house digital designer for the global environmental consultancy, after an internship with the Web Manager.
- Ran website research and a responsive redesign; managed the Umbraco CMS and microsites.
- Designed print materials, marketing content and HTML emails, and analysed web performance to recommend improvements.

Communications Assistant – Designit

Feb 2014 – Aug 2014

Copenhagen, Denmark

- Developed communications materials across the firm's channels.
